Subject: Microsoft Settlement

It is time to settle the MicroSoft case. It is in the interest of the American consumer to be protected from the harm that will come from the continued harrassment of a great American company named MicroSoft. Please take actions the will settle this case in a fair and equitable manner.

Small businesses need companies like MicroSoft to innovate business solutions that will enhance our American Economy both now and into the future. Thank you.

Sincerely,

Paul E. Ericson, Business owner.
